**Important Information** Please do not forget that Cuba is still suffering from the embargo of the USA – that also means that the amount of rental cars in Cuba is limited. **Epecially for high season i.e. on X-Mas the rental cars are always booked out for month in advance. If you need a car for the high season please make the reservation in time.** On „last minute" terms you will not be able to get a car.

**Cubacar / Transtur / REX** offers you a mandatory full risk insurance (with or without a certain amount of excess), which covers:

- car damages caused by collision or fire
- partial or total theft
- damages caused to third persons (limit - see below)
- damages to driver or other persons inside the vehicle.

**Third Party Insurance Coverage for rental cars in Cuba**

Legal limits for liable responsibility against damages to third party for any of the damages coverage: damages against damages to other people's properties because of an accident, until 15.000,- CUC. Corporal injury or death of a person until 5.000,- CUC. Corporal Injury or death of more than one person as a result of an accident, subject to a limit per person of 5.000,- CUC but only until 25.000,- CUC in total.

**We recommend to get an insurance which covers more than the official third party insurance coverage.** Please check with your own cars insurance, whether a rental car third party insurance is included. You will also get information at your official automobile club in your country.
